

Out In Schools Fees & Cancellation Policy

Changes & Cancellation Policy

In order to honour our facilitators' time and meet the high demand for our programming, we are unable to accommodate last-minute changes to bookings outside of the unforeseen circumstances described below.

Booking fees

A non-refundable \$100 deposit for youth presentations and \$150 for educator workshops is due upon confirming a date for your presentation(s).

The booking fee will be put towards the total fee for service and will allow for one (1) change of date with no penalty incurred. If the dates need to be changed a second time, an additional booking fee will apply.

Please plan ahead to accommodate your Out In Schools presentation booking to reduce the number of cancellations and date changes.

Unforeseen Circumstances

In most cases, bookings need to be rescheduled due to factors beyond our control, such as:

- unexpected weather events,
- unsafe travel conditions,
- power outages,
- school closures,
- and health-related orders from First Nations, the Province, or local health authorities.

In these cases, we will get in touch as soon as possible and welcome you to reach out to us as well. In these unforeseen cases, we may offer to:

- Reschedule at your convenience,
- Provide a credit for a future presentation, or
- Provide a full refund.

Other Schedule Changes and Cancellations

We do our very best to accommodate changes where possible however, due to the high demand for our programs, **it is unlikely we will be able to reschedule presentations with less than two weeks' notice.**

The more notice we get, the easier it is to make changes. To help prevent last-minute changes, we will reach out to confirm our presentations with you three weeks in advance.

Changes or cancellations over two weeks before the presentation:

- We will try our best to reschedule your presentation. At busy times of year such as the end of the school year, rescheduling may not be possible.
- If we are unable to reschedule, we will not invoice you for the presentation.

Changes or cancellations within two weeks of the presentation:

- We are unable to provide refunds for presentations that are rescheduled or cancelled with less than two weeks' notice. We use these funds to pay facilitators who were scheduled to present, whether or not those presentations go ahead.
- We will do our best to work with you to reschedule the presentation for a future date. We will ask for an additional payment towards the costs of the presentation.

We may not be able to prioritize presentations from schools or organizations that consistently request changes with two weeks' notice or less.

We make every effort to follow through with the presentation schedule we agree upon with communities. **In exceptional cases where Out In Schools initiates a change to our presentation schedule, you will be notified as soon as possible and given the choice of rescheduling or receiving a refund.**
